Section 2 – Financial Information

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On June 18, 2012, Generation issued and sold \$275 million in Senior Notes maturing on June 15, 2022, with a coupon of 4.25%, and \$500 million in Senior Notes maturing on June 15, 2012, with a coupon of 5.60%. The Senior Notes were issued under an indenture, dated as of September 28, 2007 (Indenture), between Generation and U.S. Bank National Association, as trustee. Reference is made to the terms of the indenture filed as Exhibit 4.3.

The proceeds of the Senior Notes will be used after deducting underwriters’ discounts and commissions and other estimated fees and expenses for general corporate purposes.

The Senior Notes were issued and sold in the following amounts and in the following two series and bear interest at the following interest rates, respectively:

\$275,000,000 4.25% Senior Notes due 2022 (2022 Senior Notes); and

\$500,000,000 5.60% Senior Notes due 2042 (2042 Senior Notes).

Interest will accrue on the Senior Notes from June 18, 2012 or from the most recent interest payment date to which interest has been paid or provided for. Interest is payable semi-annually on June 15 and December 15, beginning December 15, 2012.

Redemption at Generation’s Option

At any time prior to March 15, 2022 (in the case of the 2022 Senior Notes) or December 15, 2041 (in the case of the 2042 Senior Notes), Generation may redeem each series of Senior Notes in whole or in part, at its option at any time, at a redemption price equal to the greater of:

(1) 100% of the principal amount of the Senior Notes of the series being redeemed; or

(2) the sum of the present values of the remaining scheduled payments of principal and interest thereon (exclusive of interest accrued to the date of redemption) discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below) plus, as applicable, 40 basis points (in the case of the 2022 Senior Notes) and 45 basis points (in the case of the 2042 Senior Notes),

plus accrued interest on the principal amount being redeemed to the redemption date.

At any time on or after March 15, 2022 (in the case of the 2022 Senior Notes) or December 15, 2041 (in the case of the 2042 Senior Notes), Generation may redeem each series of Senior Notes in whole or in part at 100% of the principal amount of the Senior Notes of the series being redeemed, plus accrued interest on the principal amount being redeemed to the redemption date.

Redemption of the Senior Notes of one series may be made without the redemption of the Senior Notes of the other series.

“Comparable Treasury Issue” means the United States Treasury security or securities selected by an Independent Investment Banker (as defined below) as having an actual or interpolated maturity comparable to the remaining term of the Senior Notes being redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Senior Notes.

“Comparable Treasury Price” means, with respect to any redemption date, (1) the average of the Reference Treasury Dealer Quotations (as defined below) for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (2) if the trustee obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

“Independent Investment Banker” means one of the Reference Treasury Dealers (as defined below) appointed by the trustee after consultation with us.

“Reference Treasury Dealer” means each of Barclays Capital Inc., RBS Securities Inc., Scotia Capital (USA) Inc. and UBS Securities LLC their respective successors, and two other primary U.S. Government securities dealers in The City of New York (Primary Treasury Dealer) selected by us. If any Reference Treasury Dealer shall cease to be a Primary Treasury Dealer, Generation will substitute another Primary Treasury Dealer for that dealer.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the trustee, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the trustee by such Reference Treasury Dealer at 3:30 p.m. New York City time on the third business day preceding such redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semiannual equivalent yield to maturity or interpolated (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

Generation will mail notice of any redemption at least 30 days but not more than 60 days before the redemption date to each registered holder of Senior Notes to be redeemed.

Unless Generation defaults in payment of the redemption price, on and after the redemption date, interest will cease to accrue on the Senior Notes or portions thereof called for redemption.

Negative Covenants

Mergers and Consolidations

For so long as any Senior Notes remain outstanding, Generation may not consolidate with or merge with or into any other person, or sell, convey, transfer or lease Generation’s properties and assets substantially as an entirety to any person, and Generation will not permit any person to consolidate with or merge with or into Generation, unless:

- immediately prior to and immediately following such consolidation, merger, sale or lease, no Event of Default under the Indenture shall have occurred and be continuing; and
- Generation is the surviving or continuing entity, or the surviving or continuing entity or entity that acquires by sale, conveyance, transfer or lease is organized in the United States or under the laws of a foreign jurisdiction and consents to the jurisdiction of the courts of the United States and in either case expressly assumes the payment and performance of all of Generation's obligations under the Indenture and the Senior Notes.

Limitation on Liens

For so long as any Senior Notes remain outstanding, Generation may not issue, assume, guarantee or permit to exist any Indebtedness secured by any lien on any of its property, whether owned on the date that the Senior Notes are issued or thereafter acquired, without in any such case effectively securing the outstanding Senior Notes (together with, if Generation shall so determine, any other Indebtedness of or guaranteed by Generation ranking equally with the Senior Notes) equally and ratably with such Indebtedness (but only so long as such Indebtedness is so secured); provided that the foregoing restriction shall not apply to the following permitted liens:

- (1) pledges or deposits in the ordinary course of business in connection with bids, tenders, contracts or statutory obligations or to secure surety or performance bonds;
- (2) liens imposed by law, such as carriers', warehousemen's and mechanics' liens, arising in the ordinary course of business;
- (3) liens for property taxes being contested in good faith;
- (4) minor encumbrances, easements or reservations which do not in the aggregate materially adversely affect the value of the properties or impair their use;
- (5) liens on property existing at the time of acquisition thereof by Generation, or to secure any Indebtedness incurred by Generation prior to, at the time of, or within 90 days after the later of the acquisition, the completion of construction (including any improvements on an existing property) or the commencement of commercial operation of the property, which Indebtedness is incurred for the purpose of financing all or any part of the purchase price or construction or improvements;
- (6) liens to secure purchase money Indebtedness not in excess of the cost or value of the property acquired;
- (7) liens securing obligations issued by a state, territory or possession of the United States, or any political subdivision of any of the foregoing or the District of Columbia, to finance the acquisition or construction of property, and on which the interest is not, in the opinion of tax counsel of recognized standing or in accordance with a ruling issued by the Internal Revenue Service, includible in gross income of the holder by reason of Section 103(a)(1) of the Internal Revenue Code (or any successor to such provision) as in effect at the time of the issuance of such obligations; and
- (8) other liens to secure Indebtedness so long as the amount of outstanding Indebtedness secured by liens pursuant to this clause (8) does not exceed 10% of Generation's consolidated net tangible assets.

The Indenture does not limit Generation's Subsidiaries' ability to issue, assume, guarantee or permit to exist any Indebtedness secured by any lien on any of such Subsidiary's property, whether owned on the date the Senior Notes are issued or thereafter acquired, provided that such Indebtedness is limited in recourse only to such Subsidiary.

As used in this report, "Indebtedness" of any person means (1) all indebtedness of such person for borrowed money, (2) all obligations of such person evidenced by senior notes, debentures, notes or other similar instruments, (3) all obligations of such person to pay the deferred purchase price of property or services, (4) all indebtedness created or arising under any conditional sale or other title retention agreement with respect to property acquired by such person (even though the rights and remedies of the seller or lender under such agreement in the event of the default are limited to repossession or sale of such property), (5) all capital lease obligations of such person (excluding leases of property in the ordinary course of business), and (6) all Indebtedness of the type referred to in clauses (1) through (5) above secured by (or for which the holder of such Indebtedness has an existing right, contingent or otherwise, to be secured by) any lien or security interest on property.

As used in this report, "Subsidiary" means any corporation or other entity of which sufficient voting stock or other ownership or economic interests having ordinary voting power to elect a majority of the board of directors (or equivalent body) are at the time directly or indirectly held by Generation.

Restriction on Sales and Leasebacks

For so long as any Senior Notes remain outstanding, Generation may not enter into any sale and leaseback transaction with any Subsidiary. In addition, Generation may not enter into any sale and leaseback transaction unless it complies with this restrictive covenant. A "sale and leaseback transaction" generally is an arrangement between Generation and a Subsidiary, bank, insurance company or other lender or investor where Generation leases real or personal property which was or will be sold by Generation to that Subsidiary, lender or investor.

Generation can comply with this restrictive covenant if it meets either of the following conditions:

- the sale and leaseback transaction is entered into prior to, concurrently with or within 90 days after the acquisition, the completion of construction (including any improvements on an existing property) or the commencement of commercial operations of the property; or
- Generation could otherwise grant a lien on the property as a permitted lien described in "Limitation on Liens" above.

Additional Events of Default

In addition to the events of default described in the Indenture, an event of default under the Senior Notes will include:

- an event of default, as defined in any of Generation's instruments under which there may be issued, or by which there may be secured or evidenced, any Indebtedness of Generation that has resulted in the acceleration of such Indebtedness, or any default occurring in payment of any such Indebtedness at final maturity (and after the expiration of any applicable grace periods), other than such Indebtedness the principal of which, and interest on which, does not individually, or in the aggregate, exceed \$100,000,000; or
- one or more final judgments, decrees or orders of any court, tribunal, arbitrator, administrative or other governmental body or similar entity for the payment of money shall be rendered against Generation or any of its properties in an aggregate amount in excess of \$100,000,000 (excluding the amount thereof covered by insurance) and such judgment, decree or order shall remain unvacated, undischarged and unstayed for more than 60 consecutive days, except while being contested in good faith by appropriate proceedings.

Registration Rights

In connection with the issuance and sale of the Senior Notes, Generation has agreed to enter into a Registration Rights Agreement (the "Registration Rights Agreement") with the representatives of the initial purchasers of the Senior Notes and other parties named therein. Pursuant to the Registration Rights Agreement, Generation will be obligated to file a registration statement with respect to an offer to exchange the Senior Notes for substantially similar notes of Generation that are registered under the Securities Act or, in certain circumstances, register the resale of the Senior Notes. The registered exchange notes, if and when issued, will have terms identical in all material respects to the Senior Notes, except that their issuance will have been registered under the Securities Act.

Generation will generally be required to file the registration statement no later than 120 days after the final settlement date relating to its recently announced exchange offer that commenced on June 13, 2012 or, if the exchange offer is not consummated, no later than 120 days after the original issuance date of the Senior Notes (the "Registration Rights Issue Date") and to cause such registration statement to become effective no later than 180 days after the Registration Rights Issue date (unless the registration statement is reviewed by the SEC, in which case no later than 240 days after the Registration Rights Issue Date). If it fails to satisfy these and other obligations contained in the Registration Rights Agreement, Generation will be obligated to make additional payments of interest to the holders of the Senior Notes as described in the Registration Rights Agreement.

A copy of the Registration Rights Agreement, dated June 18, 2012, among Generation, Barclays Capital Inc., RBS Securities Inc., Scotia Capital (USA) Inc. and UBS Securities LLC as representatives of the several initial purchasers named therein, is filed as Exhibit 1.1 to this report.

Reference is made to each form of Senior Notes attached as Exhibit 4.1 and 4.2 for additional covenants, events of default and other terms and conditions of each of the series of Senior Notes.

(D) notify each Holder that any Holder electing to have a Registrable Security exchanged pursuant to the Exchange Offer will be required to surrender such Registrable Security, together with the appropriate letters of transmittal, to the institution and at the address and in the manner specified in the notice prior to 5:00 p.m. (Eastern Time) on the last Business Day of the Exchange Period;

(E) permit Holders to tender Registrable Securities according to customary guaranteed delivery procedures if such Holder cannot deliver such Registrable Securities or complete the procedures relating thereto on a timely basis prior to 5:00 p.m. (Eastern Time) on the last Business Day of the Exchange Period;

(F) permit Holders to withdraw tendered Registrable Securities at any time prior to 5:00 p.m. (Eastern Time) on the last Business Day of the Exchange Period, by sending to the institution specified in the notice a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Registrable Securities delivered for exchange and a statement that such Holder is withdrawing such Holder's election to have such Securities exchanged;

(G) notify each Holder that any Registrable Security not tendered will remain outstanding and continue to accrue interest, but will not retain any rights under this Agreement (except in the case of the Initial Purchasers and Participating Broker Dealers as provided herein); and

(H) otherwise comply in all material respects with all applicable laws relating to the Exchange Offer.

As soon as practicable after the close of the Exchange Offer the Company shall:

(A) accept for exchange all Registrable Securities duly tendered and not validly withdrawn pursuant to the Exchange Offer in accordance with the terms of the Exchange Offer Registration Statement and the letter of transmittal, which shall be an exhibit thereto;

(B) deliver or cause to be delivered all Registrable Securities accepted for exchange to the Trustee for cancellation; and

(C) cause the Trustee promptly to authenticate and deliver Exchange Securities to each Holder of Registrable Securities so accepted for exchange in a principal amount equal to the principal amount of the Registrable Securities of such Holder so accepted for exchange.

Interest on each Exchange Security will accrue from the last date on which interest was paid on the Registrable Securities surrendered in exchange therefor or, if no interest has been paid on the Registrable Securities, from the date of original issuance. The Exchange Offer shall not be subject to any conditions, other than (A) that the Exchange Offer, or the making of any exchange by a Holder, does not violate applicable law or any applicable interpretation of the staff of the SEC, (B) the valid tendering of Registrable Securities in accordance with the Exchange Offer, (C) that each Holder of Registrable Securities exchanged in the Exchange Offer shall have represented that (i) it

is not an affiliate of the Company within the meaning of Rule 405 under the 1933 Act, (ii) it is not a broker-dealer tendering Registrable Securities acquired directly from the Company or one of its Affiliates for its own account, (iii) all of the Exchange Securities to be received by it shall be acquired in the ordinary course of its business and (iv) at the time of the consummation of the Exchange Offer it shall have no arrangement or understanding with any Person to participate in the distribution (within the meaning of the 1933 Act) of the Exchange Securities, and shall have made such other representations as may be reasonably necessary under applicable SEC rules, regulations or interpretations to render the use of Form S-4 or other appropriate form under the 1933 Act available and (D) that no action or proceeding shall have been instituted or threatened in any court or by or before any governmental agency with respect to the Exchange Offer which, in the Company's judgment, would reasonably be expected to impair the ability of the Company to proceed with the Exchange Offer. The Company shall use its reasonable commercial efforts to inform the Initial Purchasers and Dealer Managers of the names and addresses of the Holders to whom the Exchange Offer is made, and the Initial Purchasers and Dealer Managers shall have the right, subject to applicable securities laws, to contact such Holders and otherwise facilitate the tender of Registrable Securities in the Exchange Offer.

The Company shall use its reasonable commercial efforts to keep the Exchange Offer Registration Statement effective and to amend and supplement the Prospectus contained therein, in order to permit such Prospectus to be lawfully delivered by all persons subject to the prospectus delivery requirements of the 1933 Act for such period of time as such persons must comply with such requirements in order to resell the Exchange Securities; provided, however, that (i) in the case where such prospectus and any amendment or supplement thereto must be delivered by a Participating Broker-Dealer, such period shall terminate at the earlier to occur of (i) the expiration of 180 days following the Exchange Offer and (ii) the Expiration Date.

The Company shall not be obligated to keep the Exchange Offer Registration Statement effective or to permit the use of any Prospectus forming a part of the Exchange Offer Registration Statement if (i) the Company determines, in its reasonable judgment, upon advice of counsel that the continued effectiveness and use of the Exchange Offer Registration Statement would (x) require the disclosure of material information that the Company has a bona fide business reason for preserving as confidential or (y) interfere with any financing, acquisition, corporate reorganization or other material transaction involving the Company or any of its subsidiaries; and provided, further, that the failure to keep the Exchange Offer Registration Statement effective and usable for offers and sales of Registrable Securities for such reasons shall last no longer than 45 consecutive calendar days or no more than an aggregate of 90 calendar days during any consecutive twelve-month period (whereafter a Registration Default, as hereinafter defined, shall occur) and (ii) the Company promptly thereafter complies with the requirements of Section 3(L) hereof, if applicable; any such period during which the Company is excused from keeping the Exchange Offer Registration Statement effective and usable for offers and sales of Registrable Securities is referred to herein as a "**Exchange Offer Suspension Period**"; an Exchange Offer Suspension Period shall commence on and include the date that the Company gives notice to the Holders that the Exchange Offer Registration Statement is no longer effective or the Prospectus included therein is no

longer usable for offers and sales of Registrable Securities as a result of the application of the proviso of the foregoing sentence, stating the reason therefor, and shall end on the earlier to occur of the date on which each seller of Registrable Securities covered by the Exchange Offer Registration Statement either receives the copies of the supplemented or amended Prospectus or is advised in writing by the Company that use of the Prospectus may be resumed.

The Company acknowledges that pursuant to current interpretations by the SEC's staff of Section 5 of the 1933 Act, in the absence of applicable exemption therefrom, (i) each Holder which is a broker-dealer electing to exchange Securities for Exchange Securities (an "**Exchanging Dealer**"), is required to deliver a prospectus containing information substantially in the form set forth in (a) Annex A hereto, (b) Annex B hereto in the "Exchange Offer Procedures" section and the "Purpose of the Exchange Offer" section, and (c) Annex C hereto in the "Plan of Distribution" section of such prospectus in connection with a sale of any such Exchange Securities received by such Exchanging Dealer pursuant to the Exchange Offer and to include in the Letter of Transmittal delivered pursuant to the Exchange Offer, the information set forth in Annex D hereto and (ii) an Initial Purchaser that elects to sell Exchange Securities acquired in an exchange for Securities constituting any portion of an unsold allotment, is required to deliver a prospectus containing the information required by Item 507 or Item 508 of Regulation S-K under the 1933 Act, as applicable, in connection with such sale.

2.2. Shelf Registration. In the event that (A) the Company reasonably determines that changes in law, SEC rules or regulations or applicable interpretations thereof by the staff of the SEC do not permit the Company to effect the Exchange Offer as contemplated by Section 2.1 hereof, (B) for any other reason, the Exchange Offer is not consummated on or prior to 225 days following the Settlement Date (unless the Exchange Offer Registration Statement is reviewed by the SEC, in which case on or prior to 285 days following the Settlement Date) or (C) a Holder notifies the Company within 20 Business Days following the consummation of the Exchange Offer that (i) it is not permitted by applicable law, SEC rules or regulations or applicable interpretations thereof by the staff of the SEC to participate in the Exchange Offer, (ii) it may not resell Exchange Securities with the Prospectus included as part of the Exchange Offer Registration Statement or (iii) it is a broker-dealer and owns Registrable Securities acquired directly from the Company or one of the Company's Affiliates, then in case of each of clauses (A) through (C) the Company shall, at its cost, in lieu of effecting (or, in the case of clause (C), in addition to effecting) the registration of the Exchange Securities pursuant to the Exchange Offer Registration Statement:

(A) as promptly as practicable, file with the SEC, and thereafter shall use its reasonable commercial efforts to cause to be declared effective no later than 225 days following the Settlement Date (unless the Exchange Offer Registration Statement is reviewed by the SEC, in which case no later than 285 days following the Settlement Date), a Shelf Registration Statement relating to the offer and sale of the Registrable Securities by the Holders from time to time in accordance with the methods of distribution elected by the Majority Holders participating in the Shelf Registration and set forth in such Shelf Registration Statement;

(B) use its reasonable commercial efforts to keep the Shelf Registration Statement continuously effective in order to permit the Prospectus forming a part thereof to be usable by Holders until the earlier of one year from the Settlement Date (plus the number of days in any Suspension Period) and the date that all of the Registrable Securities have been sold pursuant thereto; provided, however, that the Company shall not be obligated to keep the Shelf Registration Statement effective or to permit the use of any Prospectus forming a part of the Shelf Registration Statement if (i) the Company determines, in its reasonable judgment, upon advice of counsel that the continued effectiveness and use of the Shelf Registration Statement would (x) require the disclosure of material information which the Company has a bona fide business reason for preserving as confidential or (y) interfere with any financing, acquisition, corporate reorganization or other material transaction involving the Company or any of its subsidiaries; and provided, further, that the failure to keep the Shelf Registration Statement effective and usable for offers and sales of Registrable Securities for such reasons shall last no longer than 45 consecutive calendar days or no more than an aggregate of 90 calendar days during any consecutive twelve-month period (whereafter a Registration Default, as hereinafter defined, shall occur) and (ii) the Company promptly thereafter complies with the requirements of Section 3(L) hereof, if applicable; any such period during which the Company is excused from keeping the Shelf Registration Statement effective and usable for offers and sales of Registrable Securities is referred to herein as a “**Suspension Period**”; a Suspension Period shall commence on and include the date that the Company gives notice to the Holders that the Shelf Registration Statement is no longer effective or the Prospectus included therein is no longer usable for offers and sales of Registrable Securities as a result of the application of the proviso of the foregoing sentence, stating the reason therefor, and shall end on the earlier to occur of the date on which each seller of Registrable Securities covered by the Shelf Registration Statement either receives the copies of the supplemented or amended Prospectus or is advised in writing by the Company that use of the Prospectus may be resumed.

The Company shall not permit any securities other than Registrable Securities to be included in the Shelf Registration Statement. The Company further agrees, if necessary, to supplement or amend the Shelf Registration Statement, as required by Section 3(B) below, and to furnish to the Holders of Registrable Securities copies of any such supplement or amendment promptly after its being used or filed with the SEC.

2.3. Expenses. The Company shall pay all Registration Expenses in connection with the registration pursuant to Section 2.1 or 2.2 hereof. Each Holder shall pay all underwriting discounts and commissions and transfer taxes, if any, relating to the sale or disposition of such Holder’s Registrable Securities pursuant to the Shelf Registration Statement.

2.4. Effectiveness.

(A) The Company will be deemed not to have used its reasonable commercial efforts to cause the Exchange Offer Registration Statement or the Shelf Registration Statement, as the case may be, to become, or to remain, effective during the requisite period if the Company voluntarily takes any action that would, or omits to take any action (other than any action specifically permitted by the penultimate

paragraph of Section 2.1 or by Section 2.2(B) hereof) which omission would, result in any such Registration Statement not being declared effective or in the Holders of Registrable Securities covered thereby not being able to exchange or offer and sell such Registrable Securities during that period as and to the extent contemplated hereby, unless such action is required by applicable law.

(B) After an Exchange Offer Registration Statement pursuant to Section 2.1 or a Shelf Registration Statement pursuant to Section 2.2 has become effective, if the offering of Registrable Securities pursuant to an Exchange Offer Registration Statement or a Shelf Registration Statement is interfered with by any stop order, injunction or other order or requirement of the SEC or any other governmental agency or court, such Registration Statement will be deemed not to have become effective during the period of such interference, until the offering of Registrable Securities pursuant to such Registration Statement may legally resume.

2.5. Interest. In the event that (A) the Exchange Offer Registration Statement is not filed with the SEC on or prior to the 120th day following the Settlement Date, (B) the Exchange Offer Registration Statement is not declared effective on or prior to the 180th calendar day following the Settlement Date (unless the Exchange Offer Registration Statement is reviewed by the SEC, in which case, on or prior to the 240th day following the Settlement Date), (C) the Exchange Offer is not consummated or a Shelf Registration Statement is not declared effective, in either case, on or prior to the 225th calendar day following the Settlement Date (unless the Exchange Offer Registration Statement or the Shelf Registration Statement is reviewed by the SEC, in which case, on or prior to the 285th day following the Settlement Date) or (D) the Exchange Offer Registration Statement or the Shelf Registration Statement is filed and declared effective but shall thereafter either be withdrawn by the Company or becomes subject to an effective stop order suspending the effectiveness of such registration statement, except as specifically permitted by the penultimate paragraph of Section 2.1 or Section 2.2(B) hereof, in each case without being succeeded within 30 days by an amendment thereto or an additional registration statement filed and declared effective (each such event referred to in clauses (A) through (D) above, a “**Registration Default**”), the interest rate borne by the Registrable Securities shall be increased (“**Additional Interest**”) by one-fourth of one percent (0.25%) per annum upon the occurrence of each Registration Default, which rate will increase by an additional one-fourth of one percent (0.25%) per annum if such Registration Default has not been cured within 90 days after occurrence thereof and continuing until all Registration Defaults have been cured, provided that the aggregate amount of any such increase in the interest rate on the Registrable Securities shall in no event exceed one-half of one percent (0.50%) per annum; and provided, further, that if the Exchange Offer Registration Statement is not declared effective on or prior to the 180th calendar day following the Settlement Date (unless the Exchange Offer Registration Statement is reviewed by the SEC, in which case, on or prior to the 240th day following the Settlement Date), and the Company shall request Holders of Securities to provide information required by the applicable rules of the SEC for inclusion in the Shelf Registration Statement, then Registrable Securities owned by Holders who do not deliver such information to the Company or who do not provide comments on the Shelf Registration Statement when reasonably requested by the Company will not be entitled to any such increase in the interest rate for any day after the

225th day following the Settlement Date (unless the Exchange Offer Registration Statement or the Shelf Registration Statement is reviewed by the SEC, in which case, on or prior to the 285th day following the Settlement Date). All accrued Additional Interest shall be paid to Holders of Registrable Securities in the same manner and at the same time as regular payments of interest on the Registrable Securities. Following the cure of all Registration Defaults, the accrual of Additional Interest will cease and the interest rate on the Registrable Securities will revert to the original rate.

3. Registration Procedures. In connection with the obligations of the Company with respect to Registration Statements pursuant to Sections 2.1 and 2.2 hereof, the Company shall:

(A) prepare and file with the SEC a Registration Statement, within the relevant time period specified in Section 2, on the appropriate form under the 1933 Act, which form shall (i) be selected by the Company, (ii) in the case of a Shelf Registration, be available for the sale of the Registrable Securities by the selling Holders thereof and (iii) comply as to form in all material respects with the requirements of the applicable form and include or incorporate by reference all financial statements required by the SEC to be filed therewith or incorporated by reference therein, and use its reasonable commercial efforts to cause such Registration Statement to become effective and remain effective in accordance with Section 2 hereof;

(B) use reasonable commercial efforts to cause (i) any Registration Statement and any amendment thereto, when it becomes effective, not to contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading and (ii) subject to the penultimate paragraph of Section 2.1 and Section 2.2(B), any Prospectus forming part of any Registration Statement, and any supplement to such Prospectus (as amended or supplemented from time to time), not to include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(C) prepare and file with the SEC such amendments and post-effective amendments to each Registration Statement as may be necessary under applicable law to keep such Registration Statement effective for the applicable period; and cause each Prospectus to be supplemented by any required prospectus supplement, and as so supplemented to be filed pursuant to Rule 424 (or any similar provision then in force) under the 1933 Act and comply with the provisions of the 1933 Act, the 1934 Act and the rules and regulations thereunder applicable with respect to the disposition of all securities covered by each Registration Statement during the applicable period in accordance with the intended method or methods of distribution reasonably requested by the selling Holders thereof (including sales by any Participating Broker-Dealer);

(D) in the case of a Shelf Registration, (i) notify each Holder of Registrable Securities, at least fifteen (15) calendar days prior to filing, that a Shelf Registration Statement with respect to the Registrable Securities is being filed and advising such Holders that the distribution of Registrable Securities will be made in

accordance with the methods reasonably requested by the Majority Holders participating in the Shelf Registration, (ii) furnish to each Holder of Registrable Securities and to each underwriter of an underwritten offering of Registrable Securities, if any, without charge, as many copies of each Prospectus, including each preliminary Prospectus, and any amendment or supplement thereto, and such other documents as such Holder or underwriter may reasonably request, including financial statements and schedules and, if the Holder so requests, all exhibits in order to facilitate the public sale or other disposition of the Registrable Securities and (iii) hereby consent to the use of the Prospectus or any amendment or supplement thereto by each of the selling Holders of Registrable Securities in connection with the offering and sale of the Registrable Securities covered by the Prospectus or any amendment or supplement thereto, save and except during any Suspension Period;

(E) use its reasonable commercial efforts to register or qualify the Registrable Securities under such state securities or blue sky laws of such jurisdictions as any Holder of Registrable Securities covered by a Registration Statement and each underwriter of an underwritten offering of Registrable Securities shall reasonably request by the time the applicable Registration Statement is declared effective by the SEC, and do any and all other acts and things that may be reasonably necessary or advisable to enable each such Holder and underwriter to consummate the disposition in each such jurisdiction of such Registrable Securities owned by such Holder; provided, however, that the Company shall not be required to (i) qualify as a foreign corporation or as a dealer in securities in any jurisdiction where it would not otherwise be required to qualify but for this Section 3(E) or (ii) take any action which would subject it to general service of process or taxation in any such jurisdiction where it is not then so subject;

(F) notify promptly each Holder of Registrable Securities participating in the Shelf Registration or any Participating Broker-Dealer who has notified the Company that it is utilizing the Prospectus contained in the Exchange Offer Registration Statement and, if requested by such Holder or Participating Broker-Dealer, confirm such advice in writing promptly (i) when a Registration Statement has become effective and when any post-effective amendments and supplements thereto become effective, (ii) of any request by the SEC or any state securities authority for post-effective amendments and supplements to a Registration Statement and Prospectus or for additional information after the Registration Statement has become effective, (iii) of the issuance by the SEC or any state securities authority of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose, (iv) in the case of a Shelf Registration, if, between the effective date of the Shelf Registration Statement and the closing of any sale of Registrable Securities covered thereby, the representations and warranties of the Company contained in any underwriting agreement, securities sales agreement or other similar agreement, if any, relating to the offering cease to be true and correct in all material respects, (v) of the happening of any event or the discovery of any facts during the period the Shelf Registration Statement is effective that would cause a Registration Statement or the related Prospectus to contain an untrue statement of material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, (vi) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Registrable Securities or the Exchange Securities, as the case may be, for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose and (vii) of any determination by the Company that a post-effective amendment to a Registration Statement would be appropriate;

(G) in the case of the Exchange Offer Registration Statement (a) include in the Exchange Offer Registration Statement a section entitled “Plan of Distribution,” which section shall be reasonably acceptable to the Representatives and the Dealer Managers on behalf of the Participating Broker-Dealers, and which shall contain a summary statement of the positions taken or policies made by the staff of the SEC with respect to the potential “underwriter” status of any broker-dealer that holds Registrable Securities acquired for its own account as a result of market-making activities or other trading activities and that will be the beneficial owner (as defined in Rule 13d-3 under the 1934 Act) of Exchange Securities to be received by such broker-dealer in the Exchange Offer, including a statement that any such broker-dealer who receives Exchange Securities for Registrable Securities pursuant to the Exchange Offer may be deemed a statutory underwriter and must deliver a prospectus meeting the requirements of the 1933 Act in connection with any resale of such Exchange Securities, (b) furnish to each Participating Broker-Dealer who has delivered to the Company the notice referred to in Section 3(F), without charge, as many copies of each Prospectus included in the Exchange Offer Registration Statement, including any preliminary prospectus, and any amendment or supplement thereto, as such Participating Broker-Dealer may reasonably request, (c) hereby consent to the use of the Prospectus forming part of the Exchange Offer Registration Statement or any amendment or supplement thereto, by any Person subject to the prospectus delivery requirements of the SEC, including all Participating Broker-Dealers, in connection with the sale or transfer of the Exchange Securities covered by the Prospectus or any amendment or supplement thereto for up to 180 days following the Exchange Offer except during any Exchange Offer Suspension Period, and (d) include in the transmittal letter or similar documentation to be executed by an exchange offeree in order to participate in the Exchange Offer (i) the following provision:

“If the exchange offeree is a broker-dealer holding Registrable Securities acquired for its own account as a result of market-making activities or other trading activities, it will deliver a prospectus meeting the requirements of the 1933 Act in connection with any resale of Exchange Securities received in respect of such Registrable Securities pursuant to the Exchange Offer,”

and (ii) a statement to the effect that a broker-dealer by making the acknowledgment described in clause (i) and by delivering a Prospectus in connection with the exchange of Registrable Securities, the broker-dealer will not be deemed to admit that it is an underwriter within the meaning of the 1933 Act;

(H) (i) in the case of an Exchange Offer, furnish counsel for the Initial Purchasers and Dealer Managers and (ii) in the case of a Shelf Registration, furnish counsel for the Holders of Registrable Securities, copies of any comment letters received from the SEC or any other request by the SEC or any state securities authority for amendments or supplements to a Registration Statement and Prospectus or for additional information;

(I) make every reasonable effort to obtain the withdrawal of any order suspending the effectiveness of a Registration Statement as soon as practicable and provide prompt notice to legal counsel for the Holders of the withdrawal of any such order;

(J) in the case of a Shelf Registration, furnish to each Holder of Registrable Securities, and each underwriter, if any, without charge, at least one conformed copy of each Registration Statement and any post-effective amendment thereto, including financial statements and schedules (without documents incorporated therein by reference and all exhibits thereto, unless requested);

(K) in the case of a Shelf Registration, cooperate with the selling Holders of Registrable Securities to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold to the extent not held with the Depository through Cede & Co., to remove any restrictive legends, and enable such Registrable Securities to be in such denominations (consistent with the provisions of the Indenture) and registered in such names as the selling Holders or the underwriters, if any, may reasonably request at least three Business Days prior to the closing of any sale of Registrable Securities;

(L) upon the occurrence of any event or the discovery of any facts, each as contemplated by Sections 3(F)(ii), (iii), (v), (vi) and (vii) hereof and subject to the provisions of the second paragraph immediately following Section 3(U) hereof, as promptly as practicable after the occurrence of such an event, use its reasonable commercial efforts to prepare a supplement or post-effective amendment to the Registration Statement or the related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered to the purchasers of the Registrable Securities or Participating Broker-Dealers, such Prospectus will not contain at the time of such delivery any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading or will remain so qualified. At such time as such public disclosure is otherwise made or the Company determines that such disclosure is not necessary, in each case to correct any misstatement of a material fact or to include any omitted material fact, the Company agrees promptly to notify each Holder of such determination and to furnish each Holder such number of copies of the Prospectus as amended or supplemented, as such Holder may reasonably request;

(M) obtain a CUSIP number for all Exchange Securities or Registrable Securities, as the case may be, not later than the effective date of a Registration Statement, and provide the Trustee with certificates for the Exchange Securities or the Registrable Securities, as the case may be, in a form eligible for deposit with the Depository;

(N) unless the Indenture, as it relates to the Exchange Securities or the Registrable Securities, as the case may be, has already been so qualified, use its reasonable commercial efforts to (i) cause the Indenture to be qualified under the TIA in connection with the registration of the Exchange Securities or Registrable Securities, as the case may be, (ii) cooperate with the Trustee and the Holders to effect

such changes to the Indenture as may be required for the Indenture to be so qualified in accordance with the terms of the TIA and (iii) execute, and use its reasonable commercial efforts to cause the Trustee to execute, all documents as may be required to effect such changes, and all other forms and documents required to be filed with the SEC to enable the Indenture to be so qualified in a timely manner;

(O) in the case of a Shelf Registration, enter into agreements (including underwriting agreements) and take all other customary and appropriate actions in order to expedite or facilitate the disposition of such Registrable Securities and in such connection whether or not an underwriting agreement is entered into and whether or not the registration is an underwritten registration:

(i) make such representations and warranties to the Holders of such Registrable Securities and the underwriters, if any, in form, substance and scope as has been customarily made by the Company to underwriters in similar offerings of debt securities of the Company;

(ii) obtain opinions of counsel of the Company and updates thereof (which counsel and opinions (in form, scope and substance) shall be reasonably satisfactory to the managing underwriters, if any, and the Holders of a majority in principal amount of the Registrable Securities being sold) addressed to each selling Holder and the underwriters, if any, covering the matters customarily covered in opinions requested in sales of securities or underwritten offerings of the Company;

(iii) obtain "comfort" letters and updates thereof from the Company's independent certified public accountants (and, if necessary, any other independent certified public accountants of any subsidiary of the Company or of any business acquired by the Company for which financial statements are, or are required to be, included in the Registration Statement) addressed to the underwriters, if any, and use reasonable efforts to have such letter addressed to the selling Holders of Registrable Securities (to the extent consistent with Statement on Auditing Standards No. 72 of the American Institute of Certified Public Accounts), such letters to be in customary form and covering matters of the type customarily covered in "comfort" letters to underwriters in connection with similar underwritten offerings of the Company;

(iv) if an underwriting agreement is entered into, cause the same to set forth indemnification provisions and procedures substantially equivalent to the indemnification provisions and procedures set forth in Section 4 hereof with respect to the underwriters and all other parties to be indemnified pursuant to said Section; and

(v) deliver such documents and certificates as may be reasonably requested and as are customarily delivered in similar offerings to the Holders of a majority in principal amount of the Registrable Securities being sold and the managing underwriters, if any; the above shall be done at (i) the effectiveness of such Registration Statement (and each post-effective amendment thereto) and (ii) each closing under any underwriting or similar agreement as and to the extent required thereunder;

(P) in the case of a Shelf Registration or if a Prospectus is required to be delivered by any Participating Broker-Dealer in the case of an Exchange Offer, make available for inspection by representatives of the Holders of the Registrable Securities, any underwriters participating in any disposition pursuant to a Shelf Registration Statement, any Participating Broker-Dealer and any counsel or accountant retained by any of the foregoing, all financial and other records, pertinent corporate documents and properties of the Company reasonably requested by any such persons, and cause the respective officers, directors, employees and any other agents of the Company to supply all information reasonably requested by any such representative, underwriter, special counsel or accountant in connection with a Registration Statement, and make such representatives of the Company available for discussion of such documents as shall be reasonably requested by the Initial Purchasers in order to enable such persons to conduct a reasonable investigation within the meaning of Section 11 of the 1933 Act; provided, however, that such persons shall first agree in writing with the Company that any information that is reasonably and in good faith designated by the Company in writing as confidential at the time of delivery of such information shall be kept confidential by such persons, unless (i) disclosure of such information is required by court or administrative order or is necessary to respond to inquiries of regulatory authorities, (ii) disclosure of such information is required by law (including any disclosure requirements pursuant to federal securities laws in connection with the filing of the Shelf Registration Statement or the use of any Prospectus), (iii) such information becomes generally available to the public other than as a result of a disclosure or failure to safeguard such information by such persons or (iv) such information becomes available to such persons from a source other than the Company and its subsidiaries and such source is not known by such persons to be bound by a confidentiality agreement; and provided, further, in the case of making any such disclosure pursuant to (i) or (ii) above, (A) prior to (or, if not practicable, within a reasonable amount of time thereafter) making such disclosure, the disclosing person shall, if permitted by law and if practicable, provide written notification to the Company of the event or legal provision requiring such disclosure and the nature of the information to be disclosed and (B) the disclosing person shall, at the Company's expense, use all commercially reasonable efforts to limit or prevent such disclosure; the foregoing inspection and information gathering shall be coordinated by (x) the managing underwriter in connection with any underwritten offering pursuant to a Shelf Registration, (y) the Holder or Holders designated by the participating Majority Holders in connection with any non-underwritten offering pursuant to a Shelf Registration or (z) the Participating Broker-Dealer holding the largest amount of Registrable Securities in the case of use of a Prospectus included in the Exchange Offer Registration Statement, together with one counsel designated by and on behalf of such persons. Notwithstanding the foregoing, the parties hereto agree that any Initial Purchaser, Dealer-Manager or underwriter and their respective affiliates will be permitted to disclose confidential information without notification to the Company in the case of disclosure to any governmental, supervisory or regulatory body with jurisdiction over the Initial Purchasers, the Dealer-Managers or underwriters, as appropriate.

(Q) (i) in the case of an Exchange Offer Registration Statement, within a reasonable time prior to the filing of any Exchange Offer Registration Statement, any Prospectus forming a part thereof, any amendment to an Exchange Offer Registration Statement or amendment or supplement to such Prospectus, provide copies of such document to the Initial Purchasers and Dealer Managers and to counsel to the Holders of Registrable Securities and make such changes in any such document prior to the filing thereof as the Initial Purchasers or Dealer Managers or counsel to the Holders of Registrable Securities may reasonably request and, except as otherwise required by applicable law, not file any such document in a form to which the Initial Purchasers and Dealer Managers on behalf of the Holders of Registrable Securities and counsel to the Holders of Registrable Securities shall not have previously been advised and furnished a copy of or to which the Initial Purchasers or Dealer Managers on behalf of the Holders of Registrable Securities or counsel to the Holders of Registrable Securities shall reasonably object (which objection shall be made within a reasonable period of time), and make the representatives of the Company available for discussion of such documents as shall be reasonably requested by the Initial Purchasers or Dealer Managers; and (ii) in the case of a Shelf Registration, a reasonable time prior to filing any Shelf Registration Statement, any Prospectus forming a part thereof, any amendment to such Shelf Registration Statement or amendment or supplement to such Prospectus, provide copies of such document to the Holders of Registrable Securities participating in the Shelf Registration Statement, to the Initial Purchasers and Dealer Managers, to counsel for the Holders and to the underwriter or underwriters of an underwritten offering of Registrable Securities, if any, make such changes in any such document prior to the filing thereof as the Initial Purchasers or Dealer Managers, the counsel to the Holders or the underwriter or underwriters reasonably request and not file any such document in a form to which the Initial Purchasers and Dealer Managers on behalf of the Holders of Registrable Securities, counsel for the Holders of Registrable Securities or any underwriter shall not have previously been advised and furnished a copy of or to which the Initial Purchasers or Dealer Managers on behalf of the Holders of Registrable Securities, counsel to the Holders of Registrable Securities or any underwriter shall reasonably object (which objection shall be made within a reasonable period of time), and make the representatives of the Company available for discussion of such document as shall be reasonably requested by the Initial Purchasers or Dealer Managers on behalf of such Holders, counsel for the Holders of Registrable Securities or any underwriter;

(R) use its reasonable commercial efforts to (a) if the Securities have been rated prior to the initial sale of such Securities, confirm such ratings will apply to the Securities covered by a Registration Statement, or (b) if the Securities were not previously rated, cause the Securities covered by a Registration Statement to be rated with the appropriate rating agencies, if so requested by Holders of a majority in aggregate principal amount of Securities covered by such Registration Statement, or by the managing underwriters, if any.

(S) otherwise comply with all applicable rules and regulations of the SEC and make available to its security holders, as soon as reasonably practicable, an earnings statement covering at least 12 months which shall satisfy the provisions of Section 11(a) of the 1933 Act and Rule 158 thereunder;

(T) cooperate and assist in any filings required to be made with FINRA and, in the case of a Shelf Registration, in the performance of any due diligence investigation by any underwriter and its counsel (including any “qualified independent underwriter” that is required to be retained in accordance with the rules and regulations of FINRA); and

(U) upon consummation of an Exchange Offer, obtain a customary opinion of counsel to the Company addressed to the Trustee for the benefit of all Holders of Registrable Securities participating in the Exchange Offer, and which includes an opinion substantially to the effect that (i) the Company has duly authorized, executed and delivered the Exchange Securities and the related supplemental indenture and (ii) each of the Exchange Securities and related indenture constitute a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its respective terms (with customary exceptions).

In the case of a Shelf Registration Statement, the Company may (as a condition to such Holder’s participation in the Shelf Registration) require each Holder of Registrable Securities to furnish to the Company such information regarding the Holder and the proposed distribution by such Holder of such Registrable Securities as the Company may from time to time reasonably require for inclusion in the Shelf Registration Statement and request in writing.

In the case of a Shelf Registration Statement, each Holder agrees, and in the case of the Exchange Offer Registration Statement, each Participating Broker-Dealer agrees, that, upon receipt of any notice from the Company of (a) the happening of any event or the discovery of any facts, each of the kind described in Sections 3(F)(ii), (iii) or (v) hereof or (b) the Company’s determination, in its reasonable judgment, upon advice of counsel, that the continued effectiveness and use of the Shelf Registration Statement or the Prospectus included in the Shelf Registration Statement or the Exchange Offer Registration Statement would (x) require the disclosure of material information, which the Company has a bona fide business reason for preserving as confidential, or (y) interfere with any financing, acquisition, corporate reorganization or other material transaction involving the Company or any of its subsidiaries, such Holder or Participating Broker-Dealer, as the case may be, will forthwith discontinue disposition of Registrable Securities pursuant to such Registration Statement or Prospectus until the receipt by such Holder or Participating Broker-Dealer, as the case may be, of either copies of the supplemented or amended Prospectus contemplated by Section 3(L) hereof, and, if so directed by the Company, such Holder or Participating Broker-Dealers will deliver to the Company (at its expense) all copies in its possession of the Prospectus covering such Registrable Securities current at the time of receipt of such notice, or notice in writing from the Company that such Holder or Participating Broker-Dealers may resume disposition of Registrable Securities pursuant to such Registration Statement or Prospectus. If the Company shall give any such notice described in clause (a) above to suspend the disposition of Registrable Securities pursuant to a Registration Statement as a result of the happening of any event or the discovery of any facts, each of the kind described in Section 3(F)(ii), (iii) and (v) hereof, the Company shall be deemed to have used its reasonable commercial efforts to keep such Registration Statement effective during such Suspension Period provided that the Company shall use its reasonable

commercial efforts to file and have declared effective (if an amendment) as soon as practicable an amendment or supplement to such Registration Statement. The Company shall extend the period during which such Registration Statement shall be maintained effective or the Prospectus used pursuant to this Agreement by the number of days during the period from and including the date of the giving of the notice described in clauses (a) and (b) above to and including the date when the Holders or Participating Broker-Dealers shall have received copies of the supplemented or amended Prospectus necessary to resume such dispositions or notification that they may resume such disposition under an existing Prospectus.

If any of the Registrable Securities covered by any Shelf Registration Statement are to be sold in an underwritten offering, the underwriter or underwriters and manager or managers that will manage such offering will be selected by the Majority Holders of such Registrable Securities included in such offering and shall be reasonably acceptable to the Company. No Holder of Registrable Securities may participate in any underwritten registration hereunder unless such Holder (a) agrees to sell such Holder's Registrable Securities on the basis provided in any underwriting arrangements approved by the persons entitled hereunder to approve such arrangements and (b) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements.

4. Indemnification; Contribution.

(A) The Company agrees to indemnify and hold harmless the Initial Purchasers, the Dealer-Managers, their respective affiliates, each Holder, each Participating Broker-Dealer and each Person who participates as an underwriter (any such Person being an **"Underwriter"**) and each Person, if any, who controls any Initial Purchaser, Dealer Manager, Holder, Participating Broker-Dealer or Underwriter within the meaning of the 1933 Act or the 1934 Act (collectively, the **"Section 4 Persons"**), against any losses, claims, damages, liabilities or expenses (including the reasonable cost of investigating and defending against any claims therefore and counsel fees incurred in connection therewith as such expenses are incurred), joint or several, which may be based upon either the 1933 Act, or the 1934 Act, or any other statute or at common law, on the ground or alleged ground that any Registration Statement (or any amendment or supplement thereto) pursuant to which Exchange Securities or Registrable Securities were registered under the 1933 Act or any Prospectus included therein (or any amendment or supplement thereto) includes or allegedly includes an untrue statement of material fact or omits to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading, unless such statement or omission was made in reliance upon, and in conformity with, written information furnished to the Company by any such Section 4 Person specifically for use in the preparation thereof; provided that in no case is the Company to be liable with respect to any claims made against any Section 4 Person unless such Section 4 Person shall have notified the Company in writing within a reasonable time after the summons or other first legal process giving information of the nature of the claim shall have been served upon such Section 4 Person, but failure to notify the Company of any such claim (i) shall not relieve the Company from liability under this paragraph unless and to the extent the Company did not otherwise learn of such claim and such failure results in the forfeiture by the Company of substantial rights and defenses and (ii) shall not relieve the Company from any liability which it may have to such Section 4 Person otherwise than on account of the indemnity agreement contained in this paragraph.

The Company will be entitled to participate at its own expense in the defense, or, if it so elects, to assume the defense of any suit brought to enforce any such liability, but, if the Company elects to assume the defense, such defense shall be conducted by counsel chosen by it; provided, however, that such counsel shall be reasonably satisfactory to such Section 4 Persons. In the event that the Company elects to assume the defense of any such suit and retains such counsel, each Section 4 Person may retain additional counsel but shall bear the fees and expenses of such counsel unless (i) the Company shall have specifically authorized the retaining of such counsel or (ii) the parties to such suit include the Section 4 Person and the Section 4 Persons and the Company have been advised by such counsel that one or more legal defenses may be available to it or them which may not be available to the Company, in which case the Company shall not be entitled to assume the defense of such suit on behalf of such Section 4 Person, notwithstanding its obligation to bear the reasonable fees and expenses of such counsel, it being understood, however, that the Company shall not, in connection with any one such suit or proceeding or separate but substantially similar or related actions or proceedings in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys (and not more than one local counsel) at any time for all such Section 4 Persons, which firm shall be designated in writing by the Initial Purchasers and Dealer Managers. The Company shall not be liable to indemnify any Person for any settlement of any such claim effected without the Company's prior written consent, which consent shall not be unreasonably withheld. The Company shall not, without the prior written consent of the Section 4 Person, effect any settlement, compromise or consent to the entry of judgment in any pending or threatened action, suit or proceeding in respect of which any Section 4 Person is or could have been a party and indemnity was or could have been sought hereunder by such Section 4 Person, unless such settlement, compromise or consent (x) includes an unconditional release of such Section 4 Person from all liability on claims that are the subject matter of such action, suit or proceeding and (y) does not include a statement as to or an admission of fault, culpability or failure to act by or on behalf of any Section 4 Person. This indemnity agreement will be in addition to any liability, which the Company might otherwise have.

(B) Each Section 4 Person agrees severally and not jointly to indemnify and hold harmless the Company, each of the Company's directors, each of the Company's officers who have signed the Registration Statement and each person, if any, who controls the Company within the meaning of the 1933 Act or the 1934 Act, against any losses, claims, damages, liabilities or expenses (including the reasonable cost of investigating and defending against any claims therefor and counsel fees incurred in connection therewith as such expenses are incurred), joint or several, which may be based upon the 1933 Act, or any other statute or at common law, on the ground or alleged ground that any Registration Statement (or any amendment or supplement thereto) pursuant to which Exchange Securities or Registrable Securities were registered under the 1933 Act or any Prospectus included therein (or any amendment or supplement thereto) includes or allegedly includes an untrue statement of a material fact or omits to

state a material fact required to be stated therein or necessary in order to make the statements therein not misleading, but only insofar as any such statement or omission was made in reliance upon, and in conformity with, written information furnished to the Company by such Section 4 Person specifically for use in the preparation thereof; provided that in no case is such Section 4 Person to be liable with respect to any claims made against the Company or any such director, officer or controlling person unless the Company or any such director, officer or controlling person shall have notified such Section 4 Person in writing within a reasonable time after the summons or other first legal process giving information of the nature of the claim shall have been served upon the Company or any such director, officer or controlling person, but failure to notify such Section 4 Person of any such claim (i) shall not relieve such Section 4 Person from liability under this paragraph unless and to the extent such Section 4 Person did not otherwise learn of such action and such failure results in the forfeiture by such Section 4 Person of substantial rights and defenses and (ii) shall not relieve such Section 4 Person from any liability which it may have to the Company or any such director, officer or controlling person otherwise than on account of the indemnity agreement contained in this paragraph.

Such Section 4 Person will be entitled to participate at its own expense in the defense, or, if it so elects, to assume the defense of any suit brought to enforce any such liability, but, if such Section 4 Person elects to assume the defense, such defense shall be conducted by counsel chosen by it. In the event that such Section 4 Person elects to assume the defense of any such suit and retain such counsel, the Company or such director, officer or controlling person, defendant or defendants in the suit, may retain additional counsel but shall bear the fees and expenses of such counsel unless (i) such Section 4 Person shall have specifically authorized the retaining of such counsel or (ii) the parties to such suit include the Company or any such director, officer or controlling person and such Section 4 Person and the Company or such director, officer or controlling person have been advised by such counsel that one or more legal defenses may be available to it or them which may not be available to such Section 4 Person, in which case such Section 4 Person shall not be entitled to assume the defense of such suit on behalf of the Company or such director, officer or controlling person, notwithstanding its obligation to bear the reasonable fees and expenses of such counsel, it being understood, however, that such Section 4 Person shall not, in connection with any one such suit or proceeding or separate but substantially similar or related actions or proceedings in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one a separate firm of attorneys (and not more than one local counsel) at any time for all of the Company and any such director, officer or controlling person, which firm shall be designated in writing by the Company. Such Section 4 Person shall not be liable to indemnify any person for any settlement of any such claim effected without such Section 4 Person's prior written consent, which consent shall not be unreasonably withheld. This indemnity agreement will be in addition to any liability which such Section 4 Person might otherwise have.

(C) If the indemnification provided for in this Section 4 is unavailable or insufficient to hold harmless an indemnified party under subsections (A) or (B) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in subsection (A) or (B) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Section 4 Persons on the other from the offering of the Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and the Section 4 Person on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits of such indemnifying party and indemnified party shall be determined by reference to the relative benefits received by the Company from the initial offering and sale of the Securities, on the one hand, and by a holder from receiving Registrable Securities or Exchange Securities registered under the Securities Act, on the other. The relative fault of the parties shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or the Section 4 Persons and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue or alleged untrue statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (C) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (C).

Notwithstanding the provisions of this Section 4(C), no Section 4 Person shall be required to contribute any amount in excess of the amount by which the dollar amount of the proceeds received by such Section 4 Person from the sale of any Registrable Securities (after deducting any fees, discounts and commissions applicable thereto) exceeds the amount of any damages which such Section 4 Person has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission, and no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Registrable Securities underwritten by it and distributed to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Section 4 Persons' obligations in this subsection (C) to contribute are several in proportion to the principal amount of Registrable Securities registered or underwritten, as the case may be, by them and not joint.

5. Miscellaneous.

5.1. Rule 144 and Rule 144A. For so long as the Company is subject to the reporting requirements of Section 13 or 15 of the 1934 Act, the Company covenants that it will file the reports required to be filed by it under the 1933 Act and Section 13(a) or 15(d) of the 1934 Act and the rules and regulations adopted by the SEC thereunder. If the Company ceases to be so required to file such reports, the Company covenants that it will upon the request of any Holder of Registrable Securities (A) make publicly available

such information as is necessary to permit sales pursuant to Rule 144 under the 1933 Act, (B) deliver such information to a prospective purchaser as is necessary to permit sales pursuant to Rule 144A under the 1933 Act and (C) take such further action that is reasonable in the circumstances, in each case, to the extent required from time to time to enable such Holder to sell its Registrable Securities without registration under the 1933 Act within the limitation of the exemptions provided by (i) Rule 144 under the 1933 Act, as such Rule may be amended from time to time, (ii) Rule 144A under the 1933 Act, as such Rule may be amended from time to time or (iii) any similar rules or regulations hereafter adopted by the SEC. Upon the request of any Holder of Registrable Securities, the Company will deliver to such Holder a written statement as to whether it has complied with such requirements.

5.2. No Inconsistent Agreements. The Company has not entered into and the Company will not after the date of this Agreement enter into any agreement which is inconsistent with the rights granted to the Holders of Registrable Securities in this Agreement or otherwise conflicts with the provisions hereof. The rights granted to the Holders hereunder do not and will not for the term of this Agreement in any way conflict with the rights granted to the holders of the Company's other issued and outstanding securities under any such agreements.

5.3. Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given unless the Company has obtained the written consent of Holders of at least a majority in aggregate principal amount of the outstanding Registrable Securities; provided that in the event the Company increases the aggregate principal amount of, and issues additional 2022 Notes or 2042 Notes, such additional Securities issued shall be deemed to be included in the definition of Securities hereunder, and any initial purchasers named in any purchase agreement executed in connection with such additional Securities issued shall be deemed to be included in the definition of Initial Purchasers hereunder, and provided further that the Company may amend, modify or supplement the provisions hereof to reflect the increase in the aggregate principal amount of the Securities, including any modification of the Initial Purchasers and any other changes deemed by the Company to be necessary, advisable or appropriate to reflect such increase, without the written consent of the Holders to the extent such amendment, modification or supplement does not have a material adverse effect on the Holders. Without the consent of the Holder of each Security however, no modification may change the provisions relating to the payment of Additional Interest.

5.4. Notices. All notices and other communications provided for or permitted hereunder shall be made in writing by hand delivery, registered first-class mail, telex, telecopier, or any courier guaranteeing overnight delivery (a) if to a Holder, at the most current address given by such Holder to the Company by means of a notice given in accordance with the provisions of this Section 5.4, which address initially is the address set forth in the Purchase Agreement with respect to the Initial Purchasers and the Dealer Manager Agreement with respect to the Dealer Managers; and (b) if to the Company, initially at the Company's address set forth in the Purchase Agreement, and thereafter at such other address of which notice is given in accordance with the provisions of this Section 5.4.

All such notices and communications shall be deemed to have been duly given: at the time delivered by hand, if personally delivered; two Business Days after being deposited in the mail, postage prepaid, if mailed; when answered back, if telexed; when receipt is acknowledged, if telecopied; and on the next Business Day if timely delivered to an air courier guaranteeing overnight delivery.

Copies of all such notices, demands or other communications shall be concurrently delivered by the person giving the same to the Trustee under the Indenture, at the address specified in such Indenture.

5.5. Successor and Assigns. This Agreement shall inure to the benefit of and be binding upon the successors, assigns and transferees of each of the parties, including, without limitation and without the need for an express assignment, subsequent Holders; provided that nothing herein shall be deemed to permit any assignment, transfer or other disposition of Registrable Securities in violation of the terms of the Purchase Agreement or the Indenture.

If any transferee of any Holder shall acquire Registrable Securities, in any manner, whether by operation of law or otherwise, such Registrable Securities shall be held subject to all of the terms of this Agreement, and by taking and holding such Registrable Securities such person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement, including the restrictions on resale set forth in this Agreement and, if applicable, the Purchase Agreement, and such person shall be entitled to receive the benefits hereof.

5.6. Third Party Beneficiaries. The Initial Purchasers (even if the Initial Purchasers are not Holders of Registrable Securities) and Dealer Managers (even if the Dealer Managers are not Holders of Registrable Securities) shall be third party beneficiaries to the agreements made hereunder between the Company, on the one hand, and the Holders, on the other hand, and shall have the right to enforce such agreements directly to the extent they deem such enforcement necessary or advisable to protect their rights or the rights of Holders hereunder. Each Holder of Registrable Securities shall be a third party beneficiary to the agreements made hereunder between the Company, on the one hand, and the Initial Purchasers and Dealer Managers, on the other hand, and shall have the right to enforce such agreements directly to the extent it deems such enforcement necessary or advisable to protect its rights hereunder.

5.7. No Fiduciary Duty. The Dealer Managers have entered into this Agreement on behalf of holders that receive Securities pursuant to the 2032 Notes Exchange Offer. Notwithstanding anything otherwise provided in this Agreement, no fiduciary or agency relationship shall be deemed to exist between the Dealer Managers, on the one hand, and any such holder, on the other hand, as a result of this Agreement.

5.8. Specific Performance. Without limiting the remedies available to the Initial Purchasers, the Dealer Managers and the Holders, the Company acknowledges that any failure by the Company to comply with its obligations under Sections 2.1 through 2.4 hereof may result in material irreparable injury to the Initial Purchasers, the Dealer Managers or the Holders for which there is no adequate remedy at law, that it would not be possible to measure damages for such injuries precisely and that, in the event of any such failure, the Initial Purchasers, the Dealer Managers or any Holder may obtain such relief as may be required to specifically enforce the Company's obligations under Sections 2.1 through 2.4 hereof.

5.9. Restriction on Resales. The Company will not, and will cause its "affiliates" (as such term is defined in Rule 144(a)(1) under the 1933 Act) not to, resell any Securities which are "restricted securities" (as such term is defined under Rule 144(a)(3) under the 1933 Act) that have been reacquired by any of them except pursuant to an effective registration statement under the 1933 Act or, in the case of such affiliates, pursuant to Rule 144.

5.10. Counterparts. This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed signature page of this Agreement by facsimile or any other rapid transmission device designed to produce a written record of the communication transmitted shall be as effective as delivery of a manually executed counterpart thereof.

5.11. Headings. The headings in this Agreement are for the convenience of reference only and shall not limit or otherwise affect the meaning hereof.

5.12. GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO THE PRINCIPLES OF CONFLICT OF LAWS THEREOF.

5.13. Severability. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstance, is held invalid, illegal or unenforceable, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions contained herein shall not be affected or impaired thereby.

5.14. Entire Agreement. This Agreement, the Purchase Agreement and Dealer Manager Agreement represent the entire agreement among the parties hereto with respect to the subject matter hereof and supercedes and replaces any and all prior agreements and understandings, whether oral or written, with respect thereto.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first above written.

As Dealer Managers

ANNEX A

Each broker-dealer that receives Exchange Securities for its own account pursuant to the Exchange Offer must acknowledge that it will deliver a prospectus in connection with any resale of such Exchange Securities. The Letter of Transmittal states that by so acknowledging and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an “underwriter” within the meaning of the 1933 Act. This Prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of Exchange Securities received in exchange for Securities where such Securities were acquired by such broker-dealer as a result of market-making activities or other trading activities. The Company has agreed that, for a period of 180 days after the expiration of the Exchange Offer (as defined herein), it will make this Prospectus available to any broker-dealer for use in connection with any such resale. See “Plan of Distribution.”

ANNEX B

Each broker-dealer that receives Exchange Securities for its own account in exchange for Securities, where such Securities were acquired by such broker-dealer as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of such Exchange Securities. See “Plan of Distribution.”

ANNEX C

PLAN OF DISTRIBUTION

Each broker-dealer that receives Exchange Securities for its own account pursuant to the Exchange Offer must acknowledge that it will deliver a prospectus in connection with any resale of such Exchange Securities. This Prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of Exchange Securities received in exchange for Securities where such Securities were acquired as a result of market-making activities or other trading activities. The Company has agreed that, for a period of 180 days after the expiration of the Exchange Offer, it will make this Prospectus, as amended or supplemented, available to any broker-dealer for use in connection with any such resale.

The Company will not receive any proceeds from any sale of Exchange Securities by broker-dealers. Exchange Securities received by broker-dealers for their own account pursuant to the Exchange Offer may be sold from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the Exchange Securities or a combination of such methods of resale, at market prices prevailing at the time of resale, at prices related to such prevailing market prices or negotiated prices. Any such resale may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any such broker-dealer or the purchasers of any such Exchange Securities. Any broker-dealer that resells Exchange Securities that were received by it for its own account pursuant to the Exchange Offer and any broker or dealer that participates in a distribution of such Exchange Securities may be deemed to be an “underwriter” within the meaning of the 1933 Act and any profit on any such resale of Exchange Securities and any commission or concessions received by any such persons may be deemed to be underwriting compensation under the 1933 Act. The Letter of Transmittal states that, by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an “underwriter” within the meaning of the 1933 Act.

For a period of 180 days after the expiration of the Exchange Offer the Company will promptly send additional copies of this Prospectus and any amendment or supplement to this Prospectus to any broker-dealer that requests such documents in the Letter of Transmittal. The Company has agreed to pay all expenses incident to the Exchange Offer (including the expenses of one counsel for the Holders of the Securities) other than commissions or concessions of any brokers or dealers and will indemnify the Holders of the Securities (including any broker-dealers) against certain liabilities, including liabilities under the 1933 Act.

U.S. Bank National Association, as Trustee

By: _____
Authorized Officer

This Note is one of a duly authorized issue of securities of the Issuer (herein called the “Notes”), issued and to be issued in one or more series under an Indenture, dated as of September 28, 2007 (herein called the “Indenture”), between the Issuer and U.S. Bank National Association, as trustee (herein called the “Trustee”, which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture, including the Officer’s Certificate, dated as of June 18, 2012, delivered pursuant to Sections 2.1, 2.4(3) and 10.5 of the Indenture and setting forth additional terms of this Note, for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount up to and including \$275,000,000.

At any time prior to March 15, 2022, the Issuer may redeem this Note in whole or in part, at its option at any time, at a redemption price equal to the greater of (1) 100% of the principal amount of the Notes being redeemed or (2) the sum of the present values of the remaining scheduled payments of principal and interest thereon (exclusive of interest accrued to the date of redemption) discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below) plus, as applicable, 40 basis points, plus accrued interest on the principal amount being redeemed to the redemption date.

At any time on or after March 15, 2022, the Issuer may also redeem this Note in whole or in part at 100% of the principal amount of the Notes being redeemed, plus accrued interest on the principal amount being redeemed to the redemption date.

The Issuer will mail notice of any redemption at least 30 days but not more than 60 days before the redemption date to each holder of Notes to be redeemed.

Unless the Issuer defaults in payment of the redemption price, on and after the redemption date interest will cease to accrue on the Notes or portions thereof called for redemption.

“Comparable Treasury Issue” means the United States Treasury security or securities selected by an Independent Investment Banker (as defined below) as having an actual or interpolated maturity comparable to the remaining term of the Notes being redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Notes.

“Comparable Treasury Price” means, with respect to any redemption date, (1) the average of the Reference Treasury Dealer Quotations (as defined below) for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (2) if the Trustee obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

“Independent Investment Banker” means one of the Reference Treasury Dealers (as defined below) appointed by the Trustee after consultation with the Issuer.

“Reference Treasury Dealer” means each of Barclays Capital Inc., RBS Securities Inc., Scotia Capital (USA) Inc. and UBS Securities LLC, their respective successors, and two other primary U.S. Government securities dealers in the City of New York (a “Primary Treasury Dealer”), selected by the Issuer. If any Reference Treasury Dealer shall cease to be a Primary Treasury Dealer, the Issuer will substitute another Primary Treasury Dealer for that dealer.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the trustee, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the trustee by such Reference Treasury Dealer at 3:30 p.m. New York time on the third business day preceding such redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semiannual equivalent yield to maturity or interpolated (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Note or certain restrictive covenants and Events of Default with respect to this Note, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to Notes of this series shall occur and be continuing, the principal of the Notes of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Issuer and the rights of the Holders of the Notes of each series to be affected under the Indenture at any time by the Issuer and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Notes at the time outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Notes of each series at the time outstanding, on behalf of the Holders of all Notes of such series, to waive compliance by the Issuer with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in and subject to the provisions of the Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Notes of this series, the Holders of not less than 25% in principal amount of the Notes of this

series at the time outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee reasonable indemnity, and the Trustee shall not have received from the Holders of a majority in principal amount of Notes of this series at the time outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Issuer, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the security register, upon surrender of this Note for registration of transfer at the office or agency of the Issuer in any place where the principal of and any premium and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed, by the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes of this series are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 thereof. As provided in the Indenture and subject to certain limitations therein set forth, Notes of this series are exchangeable for a like aggregate principal amount of Notes of this series and of like tenor of a different authorized denomination, as requested in writing by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer and notice to the Trustee thereof the Issuer, the Trustee and any agent of the Issuer or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the issuer, the Trustee nor any such agent shall be affected by notice to the contrary.

THE INDENTURE AND THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE COMMONWEALTH OF PENNSYLVANIA WITHOUT GIVING EFFECT TO PRINCIPLES OF CONFLICTS OF LAW.

All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.
